

The Strength in Knowing: The Truth Beyond Belief Systems and a Fresh Path in Finding Love, Peace, and Joy, 2012, I. Alan Appt, Hartford & Baines Publishers, 2012

How to Discover the Essence of Life The Strength in Knowing is a powerful and personal narrative of one's journey to achieve true happiness and near ultimate awareness. Appt's life experiences are interpreted to reveal a fresh and essential path to a heightened understanding of beliefs, love, peace, and joy, as well as personal and spiritual development. His book is very different from others in this genre. It is his quest to teach by example, and to enable others to gain a better understanding of their life, purpose, and meaning. The author outlines an explicit path for understanding, and for the opportunity to realize a higher consciousness through focused meditation and a self-observing mind. Appt believes his profound, practical, yet simple teachings will interest and enrich many lives by granting the peace and fulfillment that are fundamental to our reality. His book offers the reader something essential—a practical, yet precise understanding of life as a guide to realizing true happiness. <http://www.ialanappt.com/>
